ACIS - 1187/87  
19 March 1987

NOTE FOR: D/CA ✓  
FROM: C/ACIS  
SUBJECT: Helping Dave Sullivan

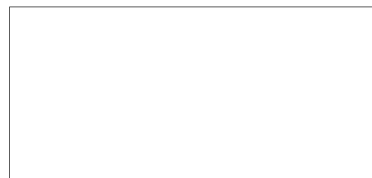

This note is for your information.

As you may recall, Dave talked to me a few days ago about declassifying two items in the most recent compliance report to the Congress. The first point was a true sources and methods problem, and the second was an Executive Branch policy judgment.

The right answers are: "Yes" on the policy point, and "no" on the intelligence sources and methods point.

I intend to call Dave this morning and pass on these two answers. There may be more to this than meets the eye at present; if so, I will get back to you.

What more may I do for you here?
